- (1) Leave the M50 at exit number 11.
- (2) Follow the signs for the N81 Eastbound for Templeogue and the City Centre.
- (3) After 500 metres along the N81 (which is a dual carriage way), go straight through a roundabout. The Spawell Leisure complex is on your left.
- (4) After another 700m past this roundabout, turn left for Kimmage at major traffic intersection where the dual carriage way ends.
- (5) The road that you have turned left onto is a single lane road called Cypress Grove Road.
- (6) Go straight for 500m and come to a roundabout. Go straight through it.
- (7) Continue going straight for approximately 2kms until you come to Harold's Cross Park on your right. There are ornate old black railings (about 1m high) around this Park.
- (9) **Literally** 60m just past this park around a slight bend, turn left at traffic lights located just before a bus stop.
- (10) Immediately after turning left, veer right towards the "Hall of Lights" black sign. The Mount Jerome entrance is through the set of large granite gate piers on your right hand side, located besides the old cemetery gate lodge building.
